### ASSIGNMENT

Whereas, we, Constantine N. Manis of 11 Drinking Brook Road, Monmouth Junction, New Jersey 08852, Dick Walvis of 214 Calcita Drive, Santa Cruz, California 95060, Mike Bautista of 215 Canyon Drive, Portola Valley, California 94028, and Tom Szilagyi of 13605 E. Zayante Road, Felton, California 95018 have invented certain new and useful improvements entitled *Method For Transmitting A Signal On A Network* and have executed a declaration for a United States patent application on the invention, and

Whereas, ENIKIA, L.L.C., a corporation of the State of Delaware, having its principal place of business at 15 Independence Boulevard, 3<sup>rd</sup> Floor, Warren, New Jersey 07059-2713 (hereinafter referred to as Assignee) is desirous of acquiring the entire title in the invention, patent application and any Letters Patent that may issue therefrom;

Now, therefore, in consideration of One Dollar and other goods and valuable consideration, we assign to the Assignee and the Assignee's legal representation, successors and assigns, the entire title in the invention, the patent application and any Letters Patent that may issue therefrom, both foreign and domestic; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent to the Assignee under the terms of this assignment.

In exchange for the named consideration, we convey to the Assignee the right to make application in its own behalf for protection of the invention in countries foreign to the United States and where expedient to claim under any International Convention or other international agreement for any such application the date of the United States application (or other application if any) in priority to other applications; and we do hereby covenant and agree with the Assignee that we will not execute any writing or do any act conflicting with this agreement, and we will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute additional assignments and other writings and do additional acts as the assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional renewal, reissued or extended Letters Patent in the United States or in any and all foreign countries on the invention, and in enforcing any rights or chose in action accruing as a result of the patent application or Letters Patent, by giving testimony in any proceeding or transaction involving the patent or Letters Patent; and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of both parties.
